Disclosure/Safe Harbor

This presentation may contain forward-looking statements (as defined in the Private Securities Litigation Reform Act 1995). Any forward-looking statements are based on current expectations with respect to important risk factors. It is important to note that our actual results could materially differ from the results anticipated in any forward-looking statements that may be contained in this presentation. Important factors that could cause actual results to differ materially from those in the forward-looking statements include, but are not limited to, future growth rates and margins for certain of our products and services, future supply and demand for our products and services, competitive factors, general economic conditions, cyclicalities, market conditions in the new and used commercial vehicle markets, customer relations, relationships with vendors, the interest rate environment, governmental regulation and supervision, seasonality, distribution networks, product introductions and acceptance, technological change, changes in industry practices and one-time events. Please refer to the documents that we have filed with the U.S. Securities and Exchange Commission for a discussion of these factors. We do not undertake any obligation to update any forward-looking statements contained in or incorporated in this presentation to reflect actual results, changes in assumptions or in other factors which may affect any forward-looking statements.

Appendix

This presentation contains certain Non-GAAP financial measures as defined under SEC rules, such as Absorption Ratio, Adjusted EBITDA, Adjusted EBIT, Adjusted EBIT Margin, Adjusted Net Income, Adjusted EPS, Adjusted Total Debt, Adjusted Net Debt, Invested Capital, Adjusted Return on Invested Capital, Free Cash Flow, and Adjusted Free Cash Flow. The Company presents Adjusted EBITDA, Adjusted EBIT, Adjusted Net Income, and Adjusted EPS as additional information about its operating results.

Management believes the presentation of these Non-GAAP financial measures provides useful information about the results of operations of the Company for the current and past periods. Management believes that investors should have the same information available to them that management uses to assess the Company's operating performance and capital structure. These Non-GAAP financial measures should not be considered in isolation or as a substitute for the most comparable GAAP financial measures. Investors are cautioned that Non-GAAP financial measures utilized by the Company may not be comparable to similarly titled Non-GAAP financial measures used by other companies.
